

AMENDMENT TO THE DRAWINGS

Attached are two sheets of replacement drawings containing Figures 13A, 13B, 13C and 14. Figures 13A, 13B, 13C and 14 have all been amended to designate the figures as “Prior Art,” as requested by the Examiner in the Notice of Allowability. No other changes have been made to any of the drawings. Please replace the originally filed drawing sheets containing Figures 13A, 13B, 13C and 14 with the attached sheets of replacement drawings containing Figures 13A, 13B, 13C and 14. As no changes have been made in the drawings other than the change of designation, no annotated sheets are required, as set forth in MPEP 608.02(v).

Attachment: 2 Replacement sheets

REMARKS

The Notice of Allowability objected to Figures 13A, 13B, 13C and 14 of the drawings by asserting that the drawings needed to be designated by the proper legend. Applicant submits concurrently herewith replacement drawings containing Figures 13A, 13B, 13C and 14 wherein all of the figures have been amended to designate the proper legend. Applicant submits that the amendments to the drawings do not introduce new matter and entry thereof is respectfully requested. Furthermore, in view of the amendments set forth in the attached replacement drawings, applicant respectfully requests withdrawal of the objections to Figures 13A, 13B, 13C and 14. No other objections or rejections are set forth in the Office Action.

Dated this 6th day of April 2009.

Respectfully submitted,
